# GENERAL INFORMATION

## I HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

The Joint Admissions and Matriculation Board (JAMB) conduct all admissions into the National Innovation Diploma (NID) and National Diploma (ND) programmes offered by all polytechnics and similar tertiary institutions in the country. Usually, a prospective candidate for National Diploma programme applies to JAMB for application form; writes the matriculation examination and on the basis of his/her score in the examination, and other criteria that may be laid down by the proprietor of the institution, the candidate may be offered provisional admission. The final admission of the candidate however, depends on his/her meeting the minimum admission requirements as laid down by NBTE.

In the case of admissions into Higher National Diploma (HND) programmes offered by the polytechnics and similar institutions the following procedure may apply:

- Application forms are usually obtained from the individual institutions. Completed forms are returned to the institutions. Many institutions now provide on-line application/registration.
- Admission of a candidate into a programme is the prerogative of the Academic Board of the institution which should ensure that the candidate meets the minimum entry requirements for the programme as laid down by the NBTE.

## II. GENERAL ENTRY REQUIREMENTS FOR NATIONAL DIPLOMA (ND)/ NATIONAL INNOVATION DIPLOMA (NID) PROGRAMMES

The minimum entry requirements for the ND/NID Programmes are as follows:

1. WASC/SSCE/GCE Ordinary Level or its equivalent with credit level passes in five subjects relevant to the programme at not more than two sittings”
2. The National Technical Certificates (NTC) or National Business Certificate (NBC) with Credit level passes in five subjects/trades relevant to the programme.
3. In addition to 1 - 2 above, candidates must obtain a satisfactory score in the UTME Examination which is conducted by JAMB.
4. A holder of the Advanced National Technical Certificate (ANTC) may be given advanced placement in the ND Programme provided the candidate has also met the minimum entry requirements into the ND Programme and obtained a minimum of credit level grades in the ANTC Examinations.

### **Applicants for All Programmes**

All candidates applying for all programmes in Polytechnics and similar Tertiary Technical Institutions must possess credit level passes in Mathematics and English Language. (Not Literature in English).
